About Me

I thrive on ambitious goals and thrill seeker, who believes in turning ideas into reality. Currently studying Computer Science and Engineering with specialization in Data Science.With this, I am good at Front End Languages like HTML, CSS & JAVASCRIPT and also Back End Languages C, Python.Besides, being good at programming I got an expertness in Data Analytics core also. Related to Data Analytics, I am good at Power BI, Tableau, Advanced Excel. Looking further more opportunities to be a expert in every aspect of Data Analytics.
